Do you have children?

If yes, how many and what are their ages?

Who else lives with you?

To help defray the cost of their care, we require a \$200 non-refundable adoption fee for cats.

In addition, responsible pet ownership means incurring some expenses, including medical care. We estimate the annual

cost of average veterinary care (yearly exam, shots and treatment of at least one condition) to be at least \$150.

Are you aware of these costs and are you prepared to cover them?

I/We, the undersigned, promise to provide sufficient shelter, food, water, medical care, comfort and love so that this animal will thrive and lead a happy indoor life as best as we are able. I/We will make available veterinary care as needed.

I/We promise never to declaw him/her. If I/We must move from our current location, I/We will either take him/her with us or provide for his/her care by returning him/her to REAL Cruzan Cats.

My signature below signifies that I agree to the terms of this adoption and that all the information provided is true and accurate.

I understand that adoption fees are non-refundable. Fees are \$200 for cats and kittens.
